

# The **Armstrong** Ceiling Recycling Programme

## Certificate of Recycling

This is to certify that on the following project **540** m<sup>2</sup> of old Armstrong ceiling tiles have been recycled and used to manufacture new Armstrong ceiling tiles.

Project Name: Mill Lane, Chesterfield  
Contractor: Eastledge  
Date Material Recycled: February 2015

This has saved approximately **1.9** tonnes of material going to landfill, and the consumption of an equivalent weight of raw materials.
